## ABOUT GORUBATHAN

Gorubathan situated in a far southern corner of Kalimpong District blends majestically with the perspiring plains and far stretched heavenly hills. It's a small yet benevolent beautiful town approximately 55 km from Siliguri (the economic hub of North Bengal). One can arrive Gorubathan via NH-31 through Sevoke road, crossing the famous 'Coronation Bridge' and Mongpong forest on a pleasant venture till Damdim. From Damdim the 13 km North hill drive towards Lava offers astounding greenery of some of the most beautiful tea gardens in the region including Ranicheera, Sylee, Meenglas and Lower Fagu. Gorubathan is situated on the east bank of river Chel. It is a pleasing hamlet decorated by the embrace of nature with lush greenery of semi-tropical forest and beautiful landscape which is astonishingly manifested by river Chel and Neora forest-river on the east. Among the local people the place is commonly called as 'Sombaray'. The name originated from its local market (*haat*) which is organized every Monday (*sombar*) of the week.

Towards the North of Gorubathan relics and ruins of Dalim fort with its own unexplored historical background propels a mystic feeling and an aura of great silence. Local people believe that the fort was built in the 18<sup>th</sup> century by the King of Bhutan when Gorubathan was regimented and controlled by the Bhutanese kingdom. This place offers an overwhelming view of the surrounding area, endowed with a unique history of its own kind. Paanch Pokhari (Five Lakes) the natural lake is yet another mystifying site situated at the height of 3500 ft above Ambiok forest. Among the local people there is a strong conviction that originally Paanch Pokhari (as the name suggests) had five natural ponds out of which four has dried up mysteriously. It is a common belief among the locals that two swans would clean the ponds whenever leaves of the trees would fall and make the pond dirty. Historically noteworthy and spiritually rich, both the places are potentially attractive trekking destination for the tourists.

Having magnificent landscape and natural greenery, Gorubathan is potentially an attractive place for tourism. This place offers breathtaking views with overwhelming scenery of the hills with the plains. Some of the noteworthy and famous places of Gorubathan are Sansarey Dara, Fafar Kheti, Gorubathan Taar, Sakham Forest, Jhandi Eco-Hut and many more. An amiable place, serene greenery of tea gardens and semi-tropical forest, and unique landscape made this place the best off beat destination for the tourist.

## ABOUT THE COLLEGE

Gorubathan Government College is situated in a beautiful foothill surrounded by huge greenery at Lower Fagu, Gorubathan. The journey of the college began at the premise of Judhabir Higher Secondary School, Gorubathan since 20<sup>th</sup> July, 2015. From January 2016, all the academic and administrative work was shifted to the new building of the college at Lower Fagu. Since then the college is functioning in its own premise and has successfully completed its 7 years of journey. At the beginning, college had enrolled 190 students pursuing honours program courses in seven (07) different subjects including literature, arts and science along with B.A and B.Sc.-Bio program courses. Gorubathan Government College is now offering eight (08) honours courses along with B.A, B.Sc.-Bio general courses. Currently the college is running with twenty three (23) teaching faculties of different streams and two non-teaching permanent staffs.

College building construction is near to completion and classes are running in all three floors of the building. Within this short period of time, we have successfully set up

three different well equipped laboratories each for Botany, Zoology and Chemistry. Moreover, central library facility rich in various books with spacious reading room gives the student a first hand experience to voyage in their academic career with zeal and positivity. Smart Class facility is also available for the students taking into consideration the advancements in teaching methods using modern day technology.

Besides academic activities, our students have put forwarded their potential and talent in the field of extra-curricular activities. Our students have thoroughly participated and won awards and accolades in various fields of sports and co-curricular activities organised by the University and other institutions.

College has an active N.S.S unit with 100 volunteers and has been organising various camps and programmes. College also has an Electoral Literacy Club which is jointly regulated by the Election Commission of West Bengal (ECWB) and the College. It primarily focuses on educating our students by organizing and participating in various programmes about the potential power of our votes and its role in nation building. Within this short period of time, the college has successfully organised two national seminars, one Workshop one Special Lecture and one career counselling session on:

1. National Seminar on “Variation and Prospects of Ecotourism at Darjeeling and Dooars” Sponsored by the Department of Higher Education, Government of West Bengal.
2. National Seminar on “Tribal Society and Culture” Sponsored by the Department of Higher Education, Government of West Bengal.

3. One day workshop on “National Mission on Education through information and communication technology (NMEICT)” sponsored by National Institute of Technology (NIT) Durgapur. We have lot other projects and proposals to be implemented in near future.
4. Special Lecture on “Self-medication and its implications” organized jointly by Department of Zoology and NSS Unit of the College. The Special Speaker was Dr.BarunRanjanSarkar, who was a former faculty of College of Medicine and Health Sciences, University of Gondar, presently a freelancer consultant to various Medical Colleges and MNCs.
5. Career Counselling

### ABOUT THE COLLEGE LOGO

The very idea of the logo was to represent the education and sentiments of the locality. The shield of the logo represents the concept of protection that this educational institute is expected to provide to the students against evil of illiteracy. The four chambers within the shield are sign of accommodative intention of the college where students from every strata, caste and creed are heartily welcomed. The bright sun represents the glowing future of the students that this institute promises to provide. Book and pen in the right top chamber is the very soul of the logo and represents the basic purpose of this institute – to impart quality higher education to the mass. Elephant at bottom left-hand corner represent

harmony between the nature and human beings that exist in this area. The river and the mountains celebrate the enriched biodiversity of Gorubathan. The nine birds flying above the mountains represent the founding faculties of the college who played crucial role in establishing this college into an ideal higher education institute in this area. The motto of the college has been borrowed from a famous Sanskrit *sloka* –

**विद्यांचाविद्यांचयस्तद्वेदोभयंसह।  
अविद्यामृत्युंतीर्त्वाविद्यामृतमश्नुते।।  
(ईशोपनिषद्, मंत्र११)**

The motto comes from the last word of the ‘verse number 11 from *Ishavasya Upanishad*’, pronounced as “*Vidyaya Amritam Ashnute*” which means “knowledge (vidya) brings immortality”.

### FROM THE DESK OF THE OFFICER-IN-CHARGE

**My dear students and their guardians,**

We are possibly in the most troublesome phase of recent history: a deadly pandemic due to the world-wide spread of COVID-19 has come to threaten the whole humankind; millions have already been greatly afflicted by this pandemic; and our universal life has come to a halt. But as the proverb says “Life must go on” and so does the education of our future generations. Despite of the current pandemic situation, we are doing our best to provide safe and quality education to our students within the purview of existing factors. To that end Government of West Bengal has taken full care and initiated the process of admission to 1st Semester of B.A., B.Sc., and B.Com. Honors Program and Program Course under CBCS for the Academic Session of 2021-2022. Our affiliating University of North Bengal has issued a Guideline asking all Colleges to start and continue with the process of admission mentioned above. I would like to inform you all that from 18<sup>th</sup> July, 2022 we are going to initiate Admission to the 1st Semester of Under-Graduation in B. A. and B. Sc. Honors Program and Program Course under CBCS for the Academic Session 2022-2023. Whole procedure of admission will be Online and, by Order of the Government of West Bengal, students will have to appear for verification of their testimonials only when classes will begin in College. Full support will be extended to the students by our College.

Our College is offering both Honors Program and Program Courses in 10 different subjects in both Arts and Sciences, at present. A team of sincerely active teachers are devoted to each and every subject. As great assistance to learning we have a well-managed library. A collection of more than 4 thousand books in the library stands unparalleled in the region. Laboratories of the Departments of Zoology, Chemistry and Botany are well-equipped.

We have also taken care of the enhancement of social character of our students. To that end, our College has opened National Service Scheme (NSS), a central sector scheme of Ministry of Youth Affairs and Sports, Government of India. We strongly believe that sports are a field where young students achieve great part of their social characters. Students of Gorubathan Government College have been doing very well in sports organized on various levels.

Finally, I must welcome you all to our college, and hope that by participating in the education system of Gorubathan Government College you will excel in all fields of life by displaying sincerity, hard work and discipline.

Dr. Pratap Kumar Sen  
Officer-in-charge  
Gorubathan Government College

## VISION AND MISSION

Government of West Bengal has started new educational institution in Gorubathan to provide equal opportunity to all the students in pursuance of higher education. The main vision of the college is to empower every student for their personal and professional carrier which in turn useful for social and economic prosperity in the global context. Therefore looking forward to the present societal and global demand, our vibrant faculty members are putting forward their diverse concept for development of academic growth, co-curriculum activities, learning environment, skill development and cultural awareness. Envisioning the quality expansion, societal and global demand, and our college is determined to offer best education to our students to make them credible in diverse field. Enriching and cultivating best knowledge and idea, we believe our students will be able to welcome all the challenges potentially and maintain the excellence in every point of sphere.

## TEACHERS' COUNCIL

The Teachers' Council (TC) of our college is the statutory body that comprises all substantive teachers appointed, which provides platform to the teachers where all teachers can freely voice their views regarding the academics of the college. The Principal/Officer-in-Charge is the ex-officio President of the TC. A Secretary is elected/selected by the members of the TC annually. The Teachers Council Secretary (TCS) conducts the meeting of TC and acts as a liaison between the teachers and the administration. The most important concern of the TC is the academic environment in the college and performance of the students in University Examination. The TC of Gorubathan Government College endeavours to groom the students in every possible way for their preparation in future life. Teachers' Council is also involved in social, intellectual and cultural activities throughout the year for acquisition of requisite competences by the students.

## COLLEGE MAGAZINE "BASE POINT"

For the first time in the history of Gorubathan Government College, we have been able to manifest our beautiful imagination, strong mind and coherent thoughts as "BASE POINT", an annual magazine of the college in 2019.

The title of the magazine has been inspired by the unique geographical location of the college, adventurous mountaineering and metaphorically speaking, the particular age point of the students itself where they have just climbed up. In mountaineering the base camp is being set up at the bottom of the mountain from where the real climb begins. As same as adventurous mountain do, the student from various places, with different culture and language have arrived at such a point which can be aptly referred as the BASE POINT for them.

The College has started its annual magazine BASE POINT, which is supposed to be the platform to the heterogenic students at our College who are also the major contributors.

## LIBRARY

Knowledge is a key element to have a success in intellectual literacy and critical thinking skill in this era of globalisation. One should be well equipped with knowledge and information to confront with unrestrained growth of intellectual competition. Knowledge and Information are the power to formulate a novel way to tackle with competitive global demand. To increase the novel paradigm of the knowledge and to produce the best breed of graduate, college is extensively working on shaping all requirements for the students.

Central Library facilities are the prime requirement for the information and knowledge seekers. In view of knowledge and information augmentation and also to enhance the intensity of the light of knowledge, the College is designing a finest central library with good learning environment for the students. The central library has wide range of collections on science, humanities, social science and literature containing both the text and reference book. At present library have over 4000 volumes. Students can have access to books and visit reading room on all working days from 10.00 am to 5.00 pm with their library card which will be issue soon after their admission. The library is located in the ground floor of the college.

## LABORATORY FACILITIES

Scientific laboratories are indispensable part of B.Sc. course. Laboratories broaden the scientific vision of young minds and make them more inquisitive about our surrounding and explore different field of science. As Gorubathan Government College offer both 'honours' and 'general' courses in Botany and Zoology along with 'General' course in Chemistry, there are separate laboratories with all the necessary facilities to carry

out the practical classes. We are trying our best to provide preliminary platform for future budding scientists.

### **STUDENTS' COMMON ROOM**

College has fully functional students' common room for girls as well for boys, with indoor sports facility like Table Tennis, Carrom, etc. Students can avail this facility during their off period for extra-curricular activities.

### **CANTEEN FACILITY**

College canteen is in function for almost three to four years and located in between the students' common rooms. Vendor at the canteen provides staple meals, tea and other regular food items in a reasonable rate on every working day.

### **STUDY TOUR**

The study tours are of the great importance to the students. It allows them not only to have a practical out-look but also explore deep into the subject. Gorubathan Government College conducts local study tours for all the 1<sup>st</sup> year students to fulfil the requirement of environmental science compulsory course. Gorubathan is literally situated on the lap of the Himalaya and blessed with beautiful natural wealth of mind blowing

landscape, evergreen forest with great floral and faunal diversity, dancing streams and fast flowing rivers with cool crystal clear water and ever pleasant weather. They provide the students ample opportunities to analyse the ecological aspects and biodiversity of the area by taking part in the field survey and interaction programme with local inhabitants of Gorubathan. It also makes the future generation aware of the environmental values and helps to develop mass awareness for the conservation of biodiversity.

## **ELECTORAL LITERACY CLUB (ELC)**

An Electoral Literacy Club (ELC) is a platform to engage college students through interesting activities and hands-on experience to sensitize them on their electoral rights and familiarise them with the electoral process of registration and voting. College Level ELCs have been established for New Voters who are aged between 18-21 year. ELCs are also

present in schools and rural communities. At ELCs, learning meets fun, activities and games are designed to stimulate and motivate students provoking them to think and ask questions. Through ELC, Election Commission of India, aims at strengthening the culture of electoral participation among young and future voters.

Electoral Literarcy Club at Gorubathan Government College has been actively involved in organising various events in collaboration with SVEEP since 2018 ranging from:

1. Debate Competition
2. Quiz Competition
3. Essay Writing Competition
4. Art/Drawing Competition

The organisation of the Club consists of a Nodal Officer Mr. Pratit Tamang (Head and Assistant Professor, Department of Political Science) and Executive members who are thoroughly engaged in organising and coordinating activities at the Block and District Level. Since its inception students involvement and participation in the ELC has been remarkable and thereby standing vicotious in many events some of which include:

1. Participation in an Inter-College State Level Debate Competition
2. Winner of District Level Essay Writing Competition and much more.

## ANTI-RAGGING CELL

Ragging is a curse of student life. Any act of physical or mental abuse targeted at another student, fresher or otherwise on the ground of sex, colour, race, religion, appearance, nationality, regional origin, place of birth, economic background etc. may be considered as the menace of ragging. We have a specific anti-ragging cell in our college, constantly making students aware of the evil effect of ragging. Any student, at the time of admission in Gorubathan Government College must fill up a specific anti-ragging declaration form and get it counter signed by his/her parents/guardian. It is a noble duty of all of us to step forward, as it is the high time to make our higher education sectors ragging free. Good bye ragging-rest in peace.

## WOMEN'S CELL

Female candidates usually face many challenges unlike their counterpart male students and need addressing with utmost sensitiveness and often with anonymity. A Women Cell in any institution symbolizes a safety hub for the students. It is also the sign of progression and open thinking. Considering safety, development and to provide equal opportunity to girl students of the college, our institution had recently constituted Women Cell which presently convened by Mrs. Pemu Tshering Lepcha, Assistant Professor of Political Science and jointly convened by Mrs. Sangeeta Yonzon, Assistant Professor of History with equal support from other male teaching staffs. The objectives of the WC are like –

- To create social awareness about the problems of women and in particular regarding gender discrimination.
- To develop the self-confidence of Women.
- To guide about Women Welfare Laws.
- To assert the importance of spiritual, economic, social, racial and gender equality.
- To highlight the importance of health and hygiene.

## CO-CURRICULAR ACTIVITIES

With increasing competition, 21<sup>st</sup> century is a pinnacle competitive era and demands complete package to hold competitive edge. To fulfil the paucity on overall development and to connect the breach to self upliftment, co-curricular activities play a pivotal role for overall growth. Overall development comprises intellectual, physical, moral, sensible, cultural and social development. Co-curricular activities are important learning platform to the students for practical execution of non-academic talent in a competitive world. This platform teaches the students to handle different situation extemporarily which is useful for the quality refinement. It is a practical experience of life that grooms the students in art of living and team work and helps in character building, increase in moral value, adjustment, coordination, creativity and many more. A Co-curricular activity provides the platform to strengthen the self-confidence, habit of eagerness to learn the new horizon of other activities with self-choice and interest. It helps to build the good social environment, foster the sense of responsibility, and therefore

mould the students to the best quality human being with pleasing personality-inspiration and make them people of great value.

## **NATIONAL SERVICE SCHEME (NSS)**

National Service Scheme (NSS), sponsored by the Ministry of Youth Affairs and Sports, Government of India has been in operation in Gorubathan Government College since July, 2017. Our sole aim is to motivate students to indulge in nation building activities through various events and projects which are aimed towards the benefit of people in and around Gorubathan. Activities of the College's NSS unit are expanding under the guidance and leadership of Program Officer Mrs. Arpana Kalden, Assistant Professor of History. Advice and ideas of our faculties, has always been helpful to increase the standard of the college NSS. Just within a span of few years the college N.S.S unit especially the volunteers have done a remarkable job. The activity of the N.S.S unit has been spread from social work i.e., cleaning program to socio-economic surveys. The volunteers of the N.S.S unit have done cleaning work at Gorubathan Govt. College and distributed sports equipments to the students of Primary School Students at Mal 4 village, Gorubathan I under "Sports, Health and Environment Awareness Program" organized by NSS unit, Gorubathan Govt. College. Different social and developmental activities are done here such as NSS wall magazine, health awareness camp, environmental awareness camp, distribution of books and other articles to the poor students of the village etc. Nature study and special camps organized for the NSS volunteers has received positive feedback from the all sphere of academics. Gorubathan NSS Unit has recently been duly rewarded for its incredible track record.

## SPORTS

College is providing an opportunity for all the students to encourage their talent in the area of sports. Our college students had participated in various sports (inter-college tournament) sponsored by The Sports Board, University of North Bengal and performed with great vigour and competitive character. Saroj Thapa from B.A Part-I general has received scholarship from University Sports Board for his overall performance. Our Volleyball team reached to the semi-finals in the inter-college volleyball tournament in 2016. In 2021, our college football team won the friendly football match with Judhabir High School organized by Electoral Literacy Club (ELC) under SVEEP as a part of SRER. College is insistently encouraging the students and cultivating the best environment to explore their potential in sports.
